Mr. Zack Hamm  
2121 Buckingham Road  
Raleigh, North Carolina 27607-3114

Dear Mr. Hamm:

Thank you for contacting me about alternative fuel tax credits. I appreciate hearing from you, and I understand you have traveled to Capitol Hill many times to meet with my staff.

As you may know, Congress passed the Tax Increase Prevention Act of 2014 (H.R. 5711) in December. I voted in favor of this legislation. This bill extended more than 50 tax incentives, including the Biodiesel Income Tax Credit, for the 2014 tax year. I agree with you that Congress should provide businesses more certainty rather than year to year extensions. Unfortunately, attempts at a longer extension were thwarted by a veto threat from the President.

Again, thank you for contacting me and for all your efforts. Should you have any additional questions or comments, please do not hesitate to let me know.

Sincerely,

Richard Burr  
United States Senator
